# HOMEPRO INFINITY WIRING PACKAGE

The Infinity Wiring package is a great way to prepare your home; it includes wiring for wall-mounted TV or projector locations, speaker prewire, surround sound prewire, and additional low-voltage wiring locations.

## **Package Includes:**

- **2 Room HDMI Prewire**
  - Great for mounting TVs or projectors. Creates a clean, wire-free look
- **2 Room Stereo Speaker Prewire**
  - This prewire provides stereo sound to any 2 locations
- **5.1 Surround Sound Prewire**
  - Prewire for surround sound in the room of your choice
- **Structured Wiring Drops**
  - 8 additional TV and data drops beyond your standards

\*Volume control not supplied by HomePro

**All packages include professional installation and 1-year HomePro warranty**
